

TUBE TALK

Big buzz from the **small screen**

The team of *Diya Aur Baati Hum* were in for a pleasant surprise when they received a call from superstar Rajinikanth's office. Turns out that Mrs Latha Rajinikanth, philanthropist, film producer, playback singer — and the wife of Thalaivar — is a fan of the show and really likes Kanika Maheshwari's character (Meenakshi). Our source says, "She follows the show and she got her office to make a call to Pappuji, the make-up man for the show, to pass on her congratulations! Her office also informed the *DABH* team that Latha ma'am plans to visit Mumbai soon and would like to personally meet the cast and crew," a source informed us.
